

Welcome to Room B117

December 4 - 8

This week at school!

- This week our class will read an assortment of Gingerbread stories combined with varied gingerbread activities.
- Our new high frequency word: **see**.
- We have been working on CVC words containing all short vowels. It is great practice to dictate words and ask your child to write the word (pan, jet, hid, cop, mug, etc.).
- In Math, we will continue our work on composing and decomposing numbers through ten and take a unit test at the end of the week. See if your child can show more than one way to make 6, 7, 8, 9, and 10.
- We will spend more time this week focusing on proper handwriting as I have noticed that many students are rushing.

Important Reminders

- 12/20 - Jingle Bell Jog
- 12/21 - Holiday party
- 12/22/23 - 1/8/24 Winter Break
- Please send in a snack and water bottle each day with your child. I am almost out of water bottles.
- Keep reading and coloring an ornament to earn a coupon for a free personal pan pizza from Pizza Hut.
- *It is very important for children to bring a pair of shoes when they wear boots to school. We are trying to keep our floor dry since we are always moving about in our room.*
- If any Scholastic orders are Christmas gifts, please email me so I can package items without your child seeing the contents.
- If you are looking for stocking stuffers, all students can use a pack of wide markers.
- It will benefit your child to practice all introduced high-frequency words. Students will be tested before Winter Break.
- By the end of the year, students are expected to count to 100. By the end of the quarter, the expectation is counting to 50.
- Thank you for returning your child's book-in-a-bag on Friday. It is so helpful to have the time on Friday evening to read your comments and select another book for Monday.
- Please refer to Mrs. Toth's newsletter regarding the 12 days of Holiday Fun.
