

Welcome to Room B117

October 30 – November 3

This week at school!

- This week will read stories that help children learn concepts such as patterns, spatial relations, and colors. Students will identify and tell the difference between the various colors they see in the world around them.
- Our new high frequency work: **said**.
- In Math, children will identify whether the number of objects (to 10) in one group is greater than, less than, or equal to the number 10. Understanding how to compare numbers will help prepare our students for later subtraction. Students will continue to work on number formation of numerals 0–10.
- We have been practicing isolating the first sound in CVC words and this week we will work on isolating the final sound.

Our Specials this week

Monday	STEAM
Tuesday	PE
Wednesday	Art
Thursday	Music
Friday	Library (book)

Birthdays this Week

None

Important Reminders

- 11/15 – Picture retake day.
- This week's feature color is brown. Please have your child wear **brown** on *Friday*.
- Our first round of conferences will begin this week, on Wednesday, 11/1.
- Keep reading and coloring a pumpkin each evening to earn a certificate for a free personal pan pizza from Pizza Hut.
- A November reading log will go out this week.
- Please be sure to have all clothing labeled including hats, gloves, boots, snow pants.
- Thanks to everyone that helped make our Halloween party so much fun. This kids were so excited and had the best day!
- Check our website to see our class in action. <https://mrsmulackkindergarten.weebly.com/>
