

Welcome to Room B117

February 19 - 23

This week at school!

- This week we will read a variety of Animal Tales. This genre features animal characters that behave like humans. These stories offer insight to people's motivations, feelings, and desires while having a happy conclusion along with a moral lesson.
- We will review all introduced *hunks & chunks*. (/oo/ as in book, /oo/ as in tool, /ar/ as in card).
- Students will continue encoding and decoding three and four letter words.
- In Writing, students will create a fun story about the tooth fairy.
- In Math, students will continue to solve addition word problems within five using pictures or objects as well as using a number line strategy.
- Math Vocabulary: number sentence, add, equals sign, equation, plus sign, total.
- In Science, we will discuss dental health and ways to take care for our teeth.

Our Specials this week

| | |
|-----------|----------------|
| Monday | No School |
| Tuesday | PE |
| Wednesday | Library (book) |
| Thursday | Music |
| Friday | SEL |

Important Reminders

- 2/24 - Magic Gives Back Show
- 3/4 - We will celebrate Dr. Seuss' birthday (actually on March 2nd) on Monday, March 4. A sign-up will be going out if you would like to help us with this celebration.
- 3/11 - Mad Science comes to Kindergarten! Students will attend an exciting show with impressive science experiments.
- 3/22 - 4/1 - Spring Break
- The UFLI home practice is included for you to see what your child can do. We do these things in class. This is included as optional practice.
- I have role-modeled keeping our school materials organized and discussed storing library books in our backpacks when not reading as well as their book-in-a-bag. It is helpful to empty their red folder each evening and return it to their book bag. Instilling good habits in Kindergarten will help tremendously in later school years.
- Scholastic book order is due by 2/23. You can order online and view other grade level books as well. Our class code is L3GW6.
- Check our website to see our class in action.
