

Welcome to Room B117

March 11 - 15

This week at school!

- This week we will read stories about the animals that inhabit our world. We will discuss what they look like, where they live, and how they behave. We will learn about their habitats and physical features.
- In Reading, we will work on spelling and reading three & four letter words that begin with v and z. In Writing, we will incorporate Math to write an addition number sentence that will show yellow and green coins in our leprechaun pots.
- In Math, students will review addition and subtraction problems within five, moving away from solving with pictures to solving problems using only numbers. We will also review tallies.
- Math Vocabulary: number sentence, add, subtract, equals sign (=), equation, plus sign (+), minus sign (-), total.
- In Science, we will learn about hedgehogs and animal defenses.
- Science vocabulary: forage, hibernate, wild, habitat, camouflage.

Important Reminders

- 3/11 - Mad Science comes to Kindergarten! Students will attend an exciting show with impressive science experiments.
- 3/13 - PSO Meeting.
- 3/14 & 3/15 Math Night at BBHES.
- 3/22 - 4/1 - Spring Break
- 5/17 - Our class will visit the Natural History Museum.
- For our 3rd quarter report card, students will be assessed on reading all high-frequency words, encoding and decoding 3-4 letter words, sentence writing (uppercase letter, spaces, punctuation), proper letter formation, comprehension, understanding of syllables, number writing, ability to solve addition & subtraction problems, count to 100, in addition to citizenship and classroom skills.
- March is the last month to earn a free personal pan pizza from Pizza Hut when your child returns their reading log.
- Please remember to view your child's calendar on the back of their red folder and initial that you have read and discussed any behavior issues.
- *Please send in a snack and water bottle every day with your child.*
- Check our website to see our class in action.
