

Welcome to Room B117

March 18 - 22

This week at school!

- This week we will study the author Lois Ehler and examine her writing style. She uses vivid colors, unique book shapes and intricate page cuts to engage children's curiosity
- In Reading, students will learn the *floss* rule. (we double the final consonant on one syllable words that end with a f, l, s, or z). Examples are: stuff, tell, pass, buzz. Of course we have exceptions like, yes, gas, bus. 😊
- In Writing, we will work on proper letter formation.
- In Math, students will solve addition problems with totals to 10. We will connect story problems to pictures, objects, models, and equations. Strategies include tens frames which help children quickly visualize numbers as amounts as well as number lines to determine the sum.
- Math Vocabulary: addition, equation, add, total.
- In Science, we will discuss Spring and rainy weather.

Important Reminders

- 3/22 - 4/1 - Spring Break
- 5/17 - Our class will visit the Natural History Museum.
- For our 3rd quarter report card, students will be assessed on reading all high-frequency words, encoding and decoding 3-4 letter words, sentence writing (uppercase letter, spaces, punctuation), proper letter formation, comprehension, understanding of syllables, number writing, ability to solve addition & subtraction problems, count to 100, in addition to citizenship and classroom skills.
- Beginning in the 4th quarter, we will start work on our published book. The order form will come home with your child on April 2nd. This is a wonderful keepsake for your child's Kindergarten year. Hardcover is \$28.95 and the softcover is \$22.95.
- Our sight words will be picking up speed during our 4th quarter. Practice all words daily if your child is not fluent reading them by sight. If you need flashcards, let me know.
- *Please send in a snack and water bottle every day with your child.*
- Check our website to see our class in action.
