

Welcome to Room B117

September 4 – 8

This week at school!

- The children have been introduced to their “Specials” teachers and are getting acclimated with moving to different classes around the school.
- In Math, we will work on the proper formation of numbers 0–5.
- We are working on writing lower-case letters; many are great with upper-case letters, however, struggle with this transfer.
- We are still working on routines and procedures with the understanding that it is necessary to raise our hand to ask something or share a story. Kindergartners love to talk (at the same time) so I often tell them that the best way to get my attention is to raise their hand. ☺

Important Reminders

- Thank you to all for sending in items from our “Helping Hands” board! I appreciate it so very much!
- 9/13 PSO Meeting
- 9/19 Picture Day
- 10/13 – No School NEOEA day.
- 10/27 Halloween Party
- Our Scholastic book order is due by 9/11. You can order online by using our class code: **L3GW6**. You can also choose books dedicated to babies through teens by searching through age level catalogs online.
- Check out our class website through our school’s portal page: <https://mrsmulackkindergarten.weebly.com/>
- We are working on our 3rd class book! Each child has the opportunity to take the class book home to share with their family then return the following day so another family can enjoy.
- We have tadpoles in our classroom and plan to watch them transform to froglets.
