

# Welcome to Room B117

## December 11 – 15

### This week at school!

- This week we will discuss the importance of kindness and how to treat others with understanding and respect. We will read stories about how one person's kindness can make a difference in someone's life and how our actions impact the people that we come in contact with.
- Our new high frequency word: **he**.
- Students will be assessed in the next two weeks on letter identification, letter sound, decoding and encoding CVC words, number recognition, number writing, sentence writing, and sight word recognition.
- In Math, we will begin our unit on Geometry. Students will learn about 2d and 3d shapes as well as their attributes.
- We will be working on a gift for you this week, but don't ask, it's a secret!

### Important Reminders

- 12/20 – Jingle Bell Jog
- 12/21 – Holiday party
- 12/22/23 – 1/8/24 Winter Break
- Please send in a snack and water bottle each day with your child. I am almost out of water bottles.
- If any Scholastic orders are Christmas gifts, please email me so I can package items without your child seeing the contents.
- Remember to have your child read their book-in-a-bag every evening Monday -Thursday; they are building stamina in reading!
- You may have heard of a special delivery package that we received on December 1<sup>st</sup>. Hermey, our school elf has arrived! The kids love to see what he is up to in our classroom. They have even seen him flying through the halls!
- Because we earned 25 tallies, we will have a fun Polar Express Day on 12/20. On this day, students can wear their PJ's, bring in a pillow *OR* a stuffed animal while we watch the movie, drink hot cocoa, and enjoy cookies and popcorn.
- Please refer to Mrs. Toth's newsletter regarding the 12 days of Holiday Fun.
- Check our website to see Hermey and our class in action.
